

Red Rock

State Park

PARK DESCRIPTION

Red Rock State Park, a center for environmental education, offers educational information about the scenic northern Arizona landscape. Surrounded by the natural beauty of Sedona's red rocks, Oak Creek meanders through the park and provides visitors the opportunity to experience a lush riparian habitat and many forms of wildlife along a 6-mile network of trails.

PARK FACILITIES

Self-guided and Ranger led interpretive walks, Environmental Educational Programs, video programs, trails, visitor center, ramadas, picnic tables, restrooms. Wedding information packet is available by calling the park directly.
